When did you last see your Labour Councillors?

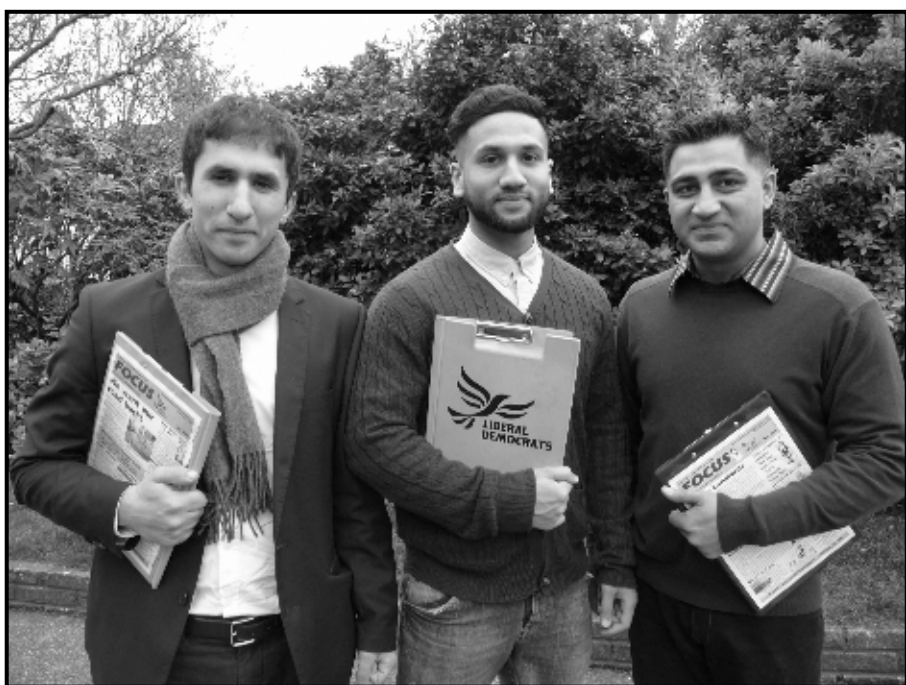

Well, when did you last see them working in the ward? At the last election perhaps? Have they or the Labour Party asked for your views on anything?

Have they campaigned locally? Have they taken up local issues? Have they kept in touch and reported back? Of course, now there's an election you may have seen some leaflets. But what about all the years that you have had Labour councillors? Where have they been?

Whilst Labour has ignored you the **Liberal Democrat Focus Team**, who all live in the ward, has taken up local issues, asked your views, campaigned locally and have reported back in the **FOCUS** newsletter for over 30 years – all year round – not just at election times.

While Labour ignores you Liberal Democrats get on with the job!

It's between the Lib Dems and Labour

The Conservatives are a poor third and cannot win in Grove Green

Cleaning Up Labour's mess

- Labour have given the deputy leader of the council a 24% pay rise. We would reverse it.
- Labour are fighting tooth and nail to keep their free council propaganda. We would scrap the fortnightly council paper.
- Labour have given away £50,000 of taxpayers money to a private charity with no strings attached. We would make sure it never happens again.

Pledges from our manifesto

- We will introduce alcohol control zones in our High Roads and parks to fight antisocial behaviour and allow everyone to use our public spaces.
- We will extend the council's free breakfast club to all Year 1 and 2 pupils.
- We will make sure every drain in the borough is cleaned yearly or whenever needed.
- We will make sure all dog mess is cleared within 24 hours of it being reported.
