

LOCAL CAMPAIGNERS CHOSEN

Ukonu Obasi, Naomi McCarthy and Arran Angus launching their local election campaign

Local Liberal Democrat Focus Team members Arran Angus, Naomi McCarthy and Ukonu Obasi have been chosen to contest the three Council seats in Grove Green Ward in the local elections on Thursday 3rd May.

Live locally and know the area

As a local resident for many years Arran has seen the changes the area is going through. Ukonu has stood for election as the MP in Walthamstow and Naomi has lived in Leytonstone for several years and has been an active part for her schools PTA for some time.

Taking up local issues

Focus says: "Arran, Naomi and Ukonu's record of working for people in the area is second to none. They keep in touch every month, every year. Not just at election time, unlike local Labour councillors that haven't been heard from in the last four years."

Arran Angus has lived locally for over seven years. He has worked for the Public, Private and Charity sectors, and has been involved in local campaigning for several years. Arran chairs the police ward safer neighbourhood panel, and his two children who both attend a local primary school. he is passionate about equal rights and equality for all, and is looking forward to having a chance to represent all parts of our community.

Naomi McCarthy is delighted to be one of the candidates standing in Grove Green ward in May. She has lived in Leytonstone since 2012 with family. She wants to see a strong force of Lib Dems on the Council to improve our schools and local environment and to create more affordable housing in the area. Naomi has been campaigning for the Lib Dems for over a year and looks forward to meeting as many Grove Green residents as possible.

Ukonu Obasi is a passionate campaigner on health and wellbeing. He is as a lecturer in public health. Ukonu lived in Waltham Forest for six years. He was the Liberal Democrat parliamentary candidate for Walthamstow and I would like to be elected to the council to give voice to liberal values and champion the diversity which is celebrated in our borough. Ukonu hope to meet you while out campaigning over the next few months.

Francis Road - Are the signs clear enough?

Focus Team member Arran Angus at one of the new signs in Francis Road

The changes to **Francis Road** have been in place for a while but drivers are going through the 'No Entry' signs every day.

The signs do not seem clear enough as many drivers are being fined £60 when driving through them and every time drivers go through, when people expect the road to be 'Pedestrian Only,' then there is a risk of an accident.

The **Lib Dem Focus Team** have asked the Council for urgent action as better signage is needed.

Local People - Local Action - All Year Round**

Norlington Road

The council said they would look at the data from **Norlington Road** after **Francis Road** was closed to see if they needed to close it.

Despite the evidence showing that traffic had dropped by nearly 10% they closed the road anyway. Is this evidence based decision making or were they always going to close the road regardless.

Local Lib Dem Focus Team Member Naomi McCarthy says "The Labour run council say they are going to look at the evidence but just push ahead with their original plan. Are they really listening to local people?"

Printed, Published and promoted by J.Cook on behalf of Arran Angus, Naomi McCarthy & Ukou Obasi, Liberal Democrats all at 24 Thornhill Road E10 5LL.

More Action by the Lib Dem Focus Team

After reports from residents, the large pothole on the corner of **Newport Road** and **Guernsey Road** has been fixed and the road resurfaced.

Your local **Lib Dem Team** has made **Grove Green Road** safer for both drivers and pedestrians after dark by getting the lights fixed.

As well as this we have made L&Q clear rubbish that has been left on their property for months in **Claude Road**.

L&Q site before clearance

Lib Dem Focus Team member Arran Angus said

"It has taken a while to get L&Q to clear the rubbish but now we are going to work together to find a long term solution."

Much better after L&Q clean up
